May 2023 NCWSA Assembly is being hosted by the districts in the Central region of the Northern California World Service Area. District 14 will provide literature sales at the one-day assembly.

**To facilitate a successful Assembly, we are need of the following:**

**Literature Chair**: Coordinate with the Literature Coordinator and arrange for the transport of literature to the Assembly site. Recruit non-GR volunteers to set-up (wrap-up), staff the literature tables throughout the day and maintain inventory records. Represent District 14 via Zoom at multi-district planning meetings (monthly or as needed), first one will be scheduled by March 25<sup>th</sup>.

**Volunteers**: Work a shift being the friendly face of Al-Anon and selling literature to Assembly attendees. Shifts to be determined, 2-3 hours? The more, the merrier!
