

CONVENTION 2026 MARCH 6, 7, 8 in Roseville, CA

SUPER SERVICE OPPORTUNITIES FOR ALL MEMBERS OF DISTRICT 14 AFG
--

Our Convention 2026 Chair, Susanna, is asking each district within NCWSA to commit to one area of responsibility, listed below. Our participation will be key to the fun and success of this event.

As a district, we need to select one committee/task. In order to do that it will be important to broaden of base of service support within each of our groups.

Would you please discuss these options with your groups...then share your group's top 2 or 3 choices at our next business meeting? We would like to come to a consensus for our district as soon as possible to ensure D14's top choice.
